Name LI Wei-Ping Li

Department HKUST

Department of Mathematics

Department of Mathematics, HKUST, Clear Water Bay, Kowloon

mawpli@ust.hk

Education

1991 Ph.D. Columbia University

1984 B.A. Nankai University, Tianjin, China

Positions held

2015	Chair Professor at HKUST
2006	Professor at HKUST
1998	Associate Professor at HKUST
1992	Assistant Professor at the Hong Kong University of Science and Technology
1991	Assistant Professor at Oklahoma State University

Awards & Honours

2017 ICCM 2017 Gold Medal of Best Paper Award

Five selected publications

- 1. H.L. Chang, S. Guo, W.P. Li, & J. Zhou, Genus one Gromov-Witten invariants of quantic threefolds via MSP localization, IMRN, accepted.
- 2. W.P. Li & Z.B. Qin, The cohomological crepant resolution conjecture for the Hilbert-Chow morphisms, Journal of Dierential Geometry 104 no.3, p499-557. 2018
- 3. H.L. Chang, J. Li & W.P. Li, Witten's top Chern classes via cosection localization, Invent. Math. 200 no. 3, p1015-1063. 2016
- 4. J.X. Hu & W.P. Li, The Donaldson-Thomas invariants under blowups and ops, J. D.G. 90 no. 3, p391-411. 2015
- 5. J. Li & W.P. Li, Two point extremal Gromov-Witten invariants of Hilbert schemes of points on surfaces, Mathematische Annalen, 349 No. 4, p839-869. 2012
